

Looking for a copy of [***Permaculture Plants - A Selection***](#)?

Unfortunately this book is **no longer available at this location.**

If you can afford to [buy a hard copy of the book](#) direct from the publisher, or [get the \(very affordable\) kindle version on amazon](#), you should do so, its a great book!

If not, like all digital content that exists, many other copies of the file that was previously available at this location are [available elsewhere](#).

You can find many other good books online using [bittorrent](#), by searching on Google (try e.g. [“title name” filetype:pdf](#) , [“title name” filetype:epub](#) , or [“title name” filetype:torrent](#) etc) or just look in [Library Genesis](#).
