

**Exhibit 4: CLT Search Conference – sample generic design plan**  
(Section 2.4.3)

**1. Local scan and analysis**

- What changes/trends are affecting land use/housing in our community?
- Threats/ opportunities? Key issues to tackle when planning our future?

**2. Village/community timeline and stories**

- Analysis: What to keep, drop, and create in the ways we are currently providing affordable housing, workspace and farms?
- What is the most desirable future for our Community Land Trust?

**3. Strategies and Action plans**

- Formation of working groups
- Follow-up steps
- Communication
- Implementation
- Growth of the organisation
