

BSF Guidance Manual #4

Ownership and Right-to-Use

the BioSand Water Filtration

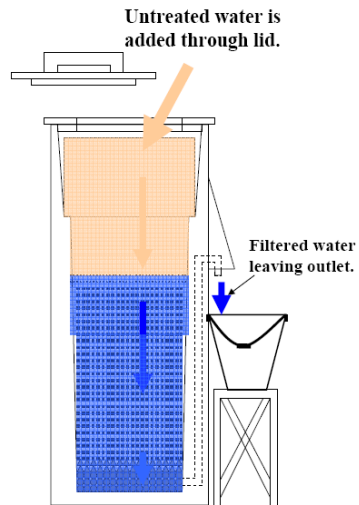

Technology

January 2009

Dr. David H. Manz, P. Eng., P. Ag.

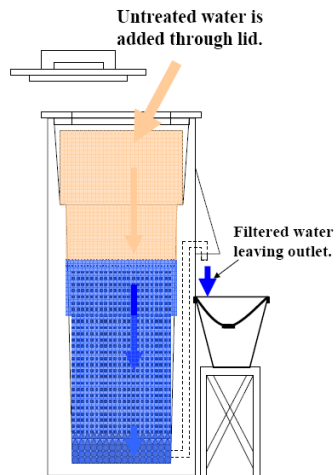

Copyright claimed by David H. Manz January 2009

1. The BioSand Water Filter is patented in Canada, United States and several other countries around the world.
2. The BioSand Water Filter technology is owned by Pure Filtered Water Ltd. of Calgary, Alberta, Canada. See web site: www.purefilteredwater.com. The BioSand Water Filter technology is described on the web sites, www.purefilteredwater.com , www.manzwaterinfo.ca and www.hydravid.org.

3. The household concrete BioSand Water Filter is the only version of the BioSand Water Filter technology that has been made available, without any royalty, to those prepared to take the necessary training and respect the design principles discussed on the web site: www.manzwaterinfo.ca. There are many, many organizations around the world who are actively and successfully manufacturing concrete BSF's and training others to do the same.
4. The ONLY organizations that have a LEGAL right to manufacture and distribute household plastic versions of the BioSand Water Filter is Pure Filtered Water Ltd., Calgary Alberta, Canada, CBFL, Dhaka, Bangladesh and Cascade Engineering and Triple Quest, Grand Rapids, Michigan, USA. *There are no other organizations with this LEGAL right – all other versions are not licensed by Pure Filtered Water Ltd.*

5. The licensees of the plastic BioSand Water Filter technology are Triple Quest, Grand Rapids Michigan (See web site: www.hydraid.org.) and Proshika, Dhaka, Bangladesh. All other plastic versions of the BSF are not licensed and from close examination of their designs are dangerous to use. **NO OTHER VERSIONS OF THE PLASTIC FILTER HAVE BEEN AUTHORIZED FOR MANUFACTURE AND DISTRIBUTION.**

6. The **ONLY** designs of the household concrete BioSand Water Filter that may be called BioSand Water Filters **MUST** conform in all respects to those outlined on the web site, www.manzwaterinfo.ca.
7. The advantage of working with authorized versions of the BioSand Water Filter technology, concrete household version or the licensed versions, is that there is on-going, knowledgeable technical support available from Dr. David Manz and Pure Filtered Water Ltd.

Good Luck!
